Juggling Personalised Learning Plans using Creative Curriculum

Joan Bailey, Damien O'Keefe, Nadia Trebar, Ms Jacqui Wilson¹

¹*Holroyd School, Merrylands, Australia*

Juggling the complexities of curriculum and engagement can be at times be challenging. The teachers at Holroyd School work together to create meaningful, functional delivery of programs.

To provide a 'snapshot' of the innovative learning activities, 4 teachers have volunteered to share their experiences exploring their successes and challenges.

Come see 'The Grand Parade' where cooking, gardening, sailing, footy tipping and shopping can inspire students to meet their 'maximum potential'.
